North Carolina Child Care Commission

Public Hearing

DCDEE
820 South Boylan Avenue
Room 130
Raleigh, NC 27603

AGENDA

The NC Child Care Commission proposes to adopt temporary rules in accordance to the Child Care and Development Block Grant (CCDBG) Act of 2014. These requirements are needed in order to maintain federal funding for families with children in child care.

The CCDBG Act of 2014 (P.L. 113-186) was signed into law on November 19, 2014. This program has not been renewed since 1996, therefore, many changes have been made to the law to improve the health, safety and quality of child care for children receiving care in family child care homes and centers. The Child Care and Development Fund (CCDF) is authorized by the CCDBG and provides federal funding for low-income families with children in child care who are working or continuing their education and training. These funds help families pay for child care services.
