<th>To keep the staff, children, and community safe, please do not enter the building if:</th>
<th>Be aware, you are at higher risk if you are:</th>
</tr>
</thead>
</table>
| ✓ In the last 14 days  
  o You have tested positive for COVID-19  
  o You or anyone in your household have been tested for COVID-19  
 ✓ You or anyone in your household think they could have COVID-19 |
| ✓ Age 65 years or older  
 ✓ Pregnant (It is not yet known if pregnant women are high risk but pregnant women should protect themselves from all infectious diseases) |
| ...or if you or anyone in your household (including children) have one of these symptoms or have been in close contact with anyone with one of these symptoms: | ...or have any of these health conditions: |
| ✓ Cough  
 ✓ Shortness of breath or difficulty breathing  
 ✓ Fever  
 Or at least two of these symptoms:  
 ✓ Chills  
 ✓ New loss of taste or smell  
 ✓ Vomiting/diarrhea (children)  
 If you have any of these symptoms, contact a health professional. |
| ✓ Chronic illness such as lung disease or moderate to severe asthma  
 ✓ Heart disease  
 ✓ Immunocompromised, including those undergoing cancer treatment  
 ✓ Severe obesity  
 ✓ Diabetes  
 ✓ Renal failure  
 ✓ Liver disease  
 Staff concerned about being at risk should discuss with their supervisor. |

**Daily Health Check**
**Staff will conduct a standard Daily Health Check on every child, every day and exclude if he/she:**
✓ Has a temperature above 100.4 or any symptoms listed above.  
✓ Is unable to participate in activities as normal  
✓ Needs more care than staff can provide without compromising the health and safety of other children

**Staff will also check for signs of illness periodically throughout the day for:**
✓ Changes in behavior or mood  
✓ Looking different from normal  
✓ Complaining of not feeling well  
✓ Pulling at ear(s)  
✓ Runny nose or eyes  
✓ Cough  
✓ Unusually warm skin  
✓ Eating or drinking more or less than usual  
✓ Vomiting  
✓ Having abnormal stools, diarrhea or unusual odor  
✓ Not urinating  
✓ Being off balance or walking unevenly
