BUILDING INSPECTORS INSPECTION FORM
FOR CENTERS IN A RESIDENCE LICENSED FOR
3 TO 12 PRESCHOOLERS

NAME OF OPERATION_________________________________________________________

ADDRESS_______________________________________________________________ TELEPHONE: ___________________________

CITY __________________________________________ STATE ___________ ZIP ______

BUILDING INSPECTORS CERTIFICATE

1. Buildings are required by the licensing agency to meet the Building Code in effect when an application for licensure is submitted to the regulating agency. Does the building listed above, to the extent observable, meet the current North Carolina Building Code? Yes____ No____

2. If no, list question numbers which do not comply, explain the violation and whether equivalent protection for the safety of the children is provided:
   1) _______________________________________________________________
   2) _______________________________________________________________
   3) _______________________________________________________________
   4) _______________________________________________________________

3. Are any of the above violations of a life safety concern? Yes___ No___
   If yes, please list question numbers ________________________________

4. In your opinion based on the violations listed above, do you recommend that the Division of Child Development issue a provisional license to allow time for correction of the violations? Yes___ No___
   If yes, how long (30-60-90 days) and for which violations? __________________________

(Note: All violations must be corrected before a license can be issued unless a provisional time period is recommended or equivalent protection is documented.)

5. Number of rooms approved for occupancy by children? _______________________________
   (Attach sketch of building with rooms identified)

6. Specify any local zoning restriction: ___________________________________________

Signature of Inspector ____________________________________________/Date __________________________

Jurisdiction _______________________________________________________/Phone: __________________________

The Inspectors Certificate and Building Inspection Form is required to be completed in its entirety before the Division of Child Development can consider the document complete. All questions must be answered; any NO answers must have a written explanation.

Developed through the cooperation of the Division of Child Development and the Engineering Division of the Department of Insurance. Please note that the inspection forms do not cover all areas of the Code, but are intended to be used as a guide for the local inspector. If additional Code items which are not addressed on these forms are found to be in violation of the Code, please document them on the back of this form.

Prepare in quadruplicate: Original & copy to Division of Child Development, 1 copy kept by inspector, 1 copy kept by operator.
