DCDEE.0172 - Revised May 2019
Instructions for Completing the
North Carolina Division of Child Development and Early Education
Public School Preschool Staff Education Form for Administrator (DCDEE.0172)

Purpose: By agreement between the Division of Child Development and Early Education and the Department of Public Instruction, education verification without proof by receipt of official transcripts is only valid if this form is completed by the Principal of the School or the Superintendent of the School System and attested to by the signature of that person on page 1. If the program is not located in a school, the Superintendent of the School System is required to complete and sign this form. No other person in any other position is authorized to sign this form.

If you are the Principal of the School, you may complete the applicable information for attained license/certificates/credentials/degrees and sign the form as the principal of the school. No other documentation needs to be provided for qualification.

Note: This qualification is for education requirements only. It does not indicate compliance with age, pre-service, criminal record, medical, in-service training requirements or having met any additional standards set forth by the Department of Public Instruction.

Please read these instructions carefully. Retain a copy of this form and any attached documentation for your records.

General Instructions: Print clearly in ink or type your answers. If a question does not apply to you, write N/A ("Not Applicable") in the space. Incomplete forms will delay processing of your education evaluation.

Section A. Administrator Applicant Information: Complete all requested information in this section. Please include your maiden name (if applicable). Do not abbreviate street names, cities or counties.

Section B. School Information: Please provide all the requested information. The facility ID # can be found on the license issued by the Division of Child Development and Early Education. If the facility is a developmental day facility, please indicate the age group in which you currently work.

Section C. Educational Background: Check ALL applicable spaces to indicate completion of high school requirements and any of the credentials, post-secondary (college level) degrees, certificates and/or licenses earned as of the date this form is uploaded to your DCDEE WORKS account. High school completion information is required no matter what level of education above high school has been attained.

Administrator (directs overall program) must have attained a standard* Principal License or Exceptional Children Program Administration Certificate or a Level III North Carolina Early Childhood Administration Credential (NCECAC) or its equivalent.

All Administrators who have not attained (or who are in the process of attaining) the above license(s) or certification(s) must upload in their DCDEE WORKS account, mail or electronically submit their college level transcripts. However, if you are applying for both DPI and Non-DPI positions, you must submit your official transcripts to the Workforce Education unit electronically or mail.

Evaluations are completed with uploaded official transcripts from accredited post-secondary schools only. Accredited is defined as an institution of higher education having nationally recognized regional accreditation by one of the six regional accrediting agencies. (For schools outside the U.S.A., the recognized system of the specified country’s accreditation process will be accepted.) Refer to the DCDEE website for accreditation links.

NOTE: If this form is not appropriately signed by the Principal of the School or Superintendent of the School System, the applicant will need to electronically apply in their DCDEE WORKS account and mail official transcripts and/or upload any applicable DPI license in their DCDEE WORKS account for the evaluation process to proceed.

NOTE: For a Level III Administrator qualification, you may upload your standard, non-expired Principal’s License or Exceptional Children Program Administration Certificate in your DCDEE WORKS account instead of mailing an official transcript for the evaluation process to proceed.

*We will only accept standard licenses. Provisional licenses require copies of official transcripts to be uploaded in your DCDEE WORKS account for education verification.
