DPI Administrator (directs overall program)

By agreement between the Division of Child Development and Early Education and the Department of Public Instruction, education verification without proof by receipt of official transcripts is only valid if completed by the Principal of the School or the Superintendent of the School System and attested to by the signature of that person. If the program is not located in a school, the Superintendent of the School System is required to complete and sign this form. **No other person in any other position is authorized to sign this form.**

**Applicant Signature**

In order for us to evaluate your education, you will need to submit official transcripts showing all the coursework you have completed at this time. (We cannot evaluate from a grade report, copy, unofficial student copy, copy of a diploma, or computer printout.)

**OR**

**Principal or the school system superintendent signature**

Upload an appropriately signed (by either the principal or the school system superintendent) [NCDCDEE Public School Preschool Staff Education Form for Administrators (DCDEE .0172)] with the information about the public school you are currently employed and a copy of your official college transcript(s) showing any early childhood coursework or degrees.

An Administrator must have attained a standard* Principal License or Exceptional Children Program Administration Certificate or a Level III North Carolina Early Childhood Administration Credential (NCECAC) or its equivalent.

All Administrators who have not attained (or who are in the process of attaining) the above license(s) or certification(s) must upload a copy of their college-level official transcripts. Such individuals may be contacted to upload additional information in order for the education evaluation to be completed.

For a Level III Administrator qualification, you may upload a copy of your standard, non-expired Principal's License or Exceptional Children Program Administration Certificate instead of a copy of an official transcript for the evaluation process to proceed.

* We will only accept standard licenses. Provisional licenses require copies of official transcripts to be uploaded for education verification. **NOTE:** For a Level III Administrator qualification, you may submit a copy of your standard, non-expired Principal's License or Exceptional Children Program Administration Certificate instead of an official transcript for the evaluation process to proceed.

**NOTE:** If the [DCDEE.0172](https://www.ncdcdee.nc.gov) is uploaded into your DCDEE WORKS account and is not appropriately signed by the Principal of the School or Superintendent of the School System, the applicant will need to sign the application and submit official transcripts and/or a copy of any applicable DPI license for the evaluation process to proceed.
