PURPOSE

This form is used to budget costs necessary to the performance of the NC Pre-K Program contracted with the Division of Child Development and Early Education (DCDEE) during the effective period of the contract. Budgeted costs shall be in accordance with State rates, reasonable, necessary to the Program and justifiable. Refer to the NC Pre-K Fiscal and Contract Manual for detail information.

Submit to: The Contractor Budget Worksheets are due to Melva Henry at NCPreK2013Contracts@dhhs.nc.gov prior to the issuance of a contract with DCDEE. Please submit budget worksheets on or before the **February 16, 2018**.

Instructions for the worksheet are listed below. Please read all instructions carefully.

Contract Identification Section

This section of the report reflects pertinent data elements that are used to identify the reporting entity. The form is preset with the program name in the top left corner. Enter responses in the yellow areas.

- 1) **Contract Number:** This is the number assigned by DCDEE to the contract document when the contract was approved. The number is located at the top of the first page of the approved DCDEE contract document and should be used in all correspondence pertaining to this contract. *Please leave blank.
- 2) **Contractor:** Enter the Contracting Agency's complete name.
- 3) **Program Name:** This is pre-filled as NC Pre-K.

Column Information

This section of the report is to be completed when reporting line item expenditures for reimbursement purposes.

- I. **Column A:** This column represents the budgeted categories, such as Human Resources, Operational Expenses/Capital Outlays or Subcontracting.
- II. **Column B:** This column represents the budgeted line items or titles within each category.
- III. **Column C:** This Column represents the budget amounts entered by the Contractor per category/line item for the effective period of the contract that are necessary to the performance of the program. **The total of this column must equal the amount of the Contractor's administrative funds and direct services funds.** Note: This must equal even if the Contractor does not obligate all direct services funds.
- IV. **Column D:** This column represents a brief narrative description of the purpose of the budgeted amount per line item. Budget narratives should show calculations for all budget line items and should clearly justify/explain the need for these items. Costs should be in accordance with State rates, reasonable and justifiable.

Examples of narratives for various budget items are shown on pages 5-7.

Technical Instructions

Below are technical instructions to assist you in successfully completing the Line Item Budget Worksheet template. Also, please find sample narrative justifications that should provide additional guidance in developing your budget narratives.

- **Spreadsheet: rev. 11-13-17.** The spreadsheet book contains **four (4)** worksheet tabs (2 Line Item Budget Worksheets **and** 2 FTE Worksheets). The first two tabs - SFY 18-19 Contractor Line Item budget and FTE worksheet should include expenditures for SFY 18-19 **base allocation plus** the SFY 18-19 **expansion funds**. The last two tabs in the workbook solely pertain to CCDF - Quality funding. A separate Line Item Budget and FTE Worksheet are to be completed when utilizing CCDF – Quality funding.
- Only budgets submitted on the **revised spreadsheet (rev. 11-13-17)** will be **ACCEPTED**. Spreadsheet can also be found on the NC Pre-K website at http://nchildcare.nc.gov/general/mb_ncprek.asp *(to save time please do not submit your budgets on the older version spreadsheets)
- Only enter information in yellow shaded cells only. **Do NOT try to enter or delete anything in blue shaded cells. The BLUE shaded cells are LOCKED fields.**
- If you have **FTE's** in your contract you **MUST** complete the **FTE Worksheet** **prior** to completing the **Contractor Line Item Budget** worksheet. The information from the FTE Worksheet will automatically transfer to the Contractor Line Item Budget in the blue shaded cells.
- **FTE Worksheet:** In column E (Percent of Time Worked on this Activity) You can now only use 5 digits (ex. 25.25%) the decimal is included in the 5 digits total. If you enter more than 5 digits the spreadsheet has been programmed to still only calculate against the first 5 digits.
- Can only use **WHOLE NUMBERS** throughout the spreadsheet template.
- Any **calculations** included in the Narrative (column D) **must match** the total dollar amount in (column C).
- Do not modify the existing formulas in the FTE Worksheet or enter data with formulas incorporated into them which changes the true value of the data.
- You **MUST** include the **# of children** in your budget narrative that you plan to serve.
 - **(example #1: Direct Services Contractor**: Funds budgeted for the Contractor to provide direct services to **100** eligible children.
 - **example #2: Subcontracting and Grants Direct Services**: Funds budgeted for the subcontractor to provide direct services to **35** eligible children.
(Examples for Expansion ONLY):
 - **(example #3: Direct Services Contractor**: Funds budgeted for the Contractor to increase rates due to teacher raises.
 - **example #4: Subcontracting and Grants Direct Services**: Funds budgeted for the Contractor to increase rates due to teacher raises.
