

# Creating your NCID

Early Childhood Education lead teachers who work in nonpublic schools (NC Pre-K, Developmental Day, and Head Start programs) and their site administrators are required to complete the *NC Teacher Evaluation: Part 1 and Part 2*. The professional development is self-directed online and instructor-led. This professional development provides support for teachers in their professional growth for the NC Professional Teaching Standards.

**Teachers and their site administrators** must first register for a **North Carolina Identity Management (NCID) username and password** in order to access the online modules. Follow the steps below to create your individual NCID.

3. At the bottom of the page, find the blue bar that says, **"To register for a new NCID account click here,"** then click **"Register!"**
